

Workgroup on Trash Burning

Wednesday, December 6, 2006  
DNR Air Quality offices – Urbandale, Iowa

**Lunch Menu**

*Box lunch from **Jason's Deli** (new)*

The cost for each box lunch is **\$7.00 (cash only - tax and delivery charge included).**\*

The two box lunch choices are Traditional Box or Garden Po'boy Box (vegetarian option). Both are sandwich box lunches, and have different bread, sides and dessert options.

For those that do not wish to purchase a box lunch, there are several fast food options nearby, including Subway, Tasty Tacos, and Sarpino's Pizza. Approximately 30 minutes will be allotted for those who prefer to get their own lunches.

*\*Lunch payment will be collected at the meeting on December 6. **Cash only please.** Correct change of \$7 is also very much appreciated. A receipt will be provided, but it will indicate slightly less than \$7. This is because receipt does not include the delivery charge that is being split among participants.*
